

I am

Vehicle
owner/driver/
passenger

I'm trying to

Travel safe and
in a smooth
manner.

To avoid Road
traffic/accident.

But

There is not enough
regulations and
assistance to the
driver.

Absence of Vehicular ad-
hoc network causes more
traffic and the possibility of
accidents is high.

Because

Of the absence of the
Advances driving
assistance technology
in cars.

Absence of intelligent
lot based traffic signals
and road signs.

Which makes me feel
