

Date	10 November 2022
Team ID	PNT2022TMID11468
Project Name	Project - Signs with Smart Connectivity for Better Road Safety
Maximum Marks	4 Marks

The screenshot shows the OpenWeather API dashboard. The top navigation bar includes links for Guide, API, Dashboard, Marketplace, Pricing, Maps, Our Initiatives, Partners, Blog, For Business, daniel, and Support. Below the navigation bar, there are tabs for New Products, Services, API keys (selected), Billing plans, Payments, Block logs, My orders, My profile, and Ask a question. A message states: "You can generate as many API keys as needed for your subscription. We accumulate the total load from all of them." Below this, there is a table with columns: Key, Name, Status, and Actions. The table contains one row with a key starting with "7a547e97f79ee73629edd98723ab36fe", a name of "Default", and a status of "Active". To the right of the table is a "Create key" button. Below the table, there is a form with a label "API key name" and a "Generate" button.

The screenshot shows a Python IDLE Shell window. The title bar reads "IDLE Shell 3.11.0". The menu bar includes File, Edit, Shell, Debug, Options, Window, and Help. The shell prompt is "Python 3.11.0 (main, Oct 24 2022, 18:26:48) [MSC v.1933 64 bit (AMD64)] on win32". The prompt text continues: "Type 'help', 'copyright', 'credits' or 'license()' for more information." The prompt is followed by three greater-than signs ">>>". The status bar at the bottom right shows "Ln: 3 Col: 0".
